

## DENMARK ARTS MARKETS

### Stall Criteria 2019/2020

The Denmark Arts Markets, established in 1981, attracts between 18,000-20,000 visitors across the season and has built its reputation on the philosophy of providing an outlet for high quality artisan, arts, crafts and produce. Set in shady Berridge Park by the picturesque Denmark River, the markets have a lively village atmosphere featuring all day live performance on possibly WA's largest market stage showcasing emerging and established, local and national talent.

This season we are delighted to include the Australia Day long weekend as one of our market dates!
