

ARTSHOUSE Guide 2020

The **Artshouse** is reopening on the 18th of July! As the COVID 19 situation is still in flux, these are the current Artshouse guidelines for the use of the building, please stay in regular touch with DA staff to stay updated on developments. We were hoping that Stage 5 COVID restrictions would come into force on the 18th of July, to coincide with opening. It is now looking like Stage 5 may be postponed. For the time being the following guidelines apply to making use of the building.

1) All users must be a Member of Denmark Arts. Becoming a Member will mean that you can hire space, apply to be a CoLab Artist, apply for our In-Kind support program amongst other benefits (see our website for more info). Members are considered in the same category as staff when it comes to our insurance. This means you, and the people you are gathering with, are more likely to be covered by insurance if something unusual happens. Please encourage your whole group (if you have one) to become Members as well!

2) Please sign in on entry. As part of our Covid-19 plan, we require all visitors to sign in when entering the building.

3) Please use the hand sanitiser provided on entry

4) Ensure that all participants have been clearly advised not to come to the event if they are feeling unwell.

5) Maintain social distancing (2sqm) when you enter and during your stay in the building.

6) Setting up and packing down the room is the responsibility of the hirer.

7) As extra cleaning is required during this time a cleaning fee of \$30 will be charged for each use of the building, unless otherwise arranged (Hirers can do the wipe down themselves).

If you are a Member of Denmark Arts, the Artshouse is very much YOUR Artshouse! We would love for you to feel at home and make use of the space through hiring the space or through our many programs. See the website for more information on the [CoLab Program](#), our [in-kind support program](#) and hiring the [Artshouse](#).

Thank you for your cooperation!
