The Denmark Arts Markets, established in 1981, attracts between 18,000-20,000 visitors across four markets in the season and has built its reputation on the philosophy of providing an outlet for high quality artisan, arts, crafts and produce. Set in shady Berridge Park by the picturesque Denmark River, the markets have a lively village atmosphere featuring all day live performance on possibly WA's largest market stage showcasing emerging and established, local and national talent.

You will need to provide the Shire with a copy of your food handler's certificate. If you don't already have food handler's certificate then you can obtain one online at denmark.imalert.com.au. There is no cost to do this but it is a requirement and should be done at least three weeks prior to your first market date.

As a requirement of our Healthway funding, all food providers/vendors must comply with the following conditions:

- The Denmark Arts Markets requires each vendor to offer healthy food and drink options. Preferences will be given to vendors offering healthy food and drinks.

- No sugary drinks are to be visually displayed. Sugary drink include any beverage which contains added sugar - e.g. soft drink, energy drinks and slushies. Therefore, all sugary drinks will be removed from front counters or menu boards and moved to the bottom of fridges or out of the line of sight for customers.
